

Accident Medical Protection

Each year millions of people are caught unprepared for automobile related accidents and hospitalization, leaving them and their families with medical bills that can take a lifetime to overcome. Our program helps protect you your family to ensure you will not suffer financially in this situation.

ISHI recognized that it is extremely important to provide the highest payable benefits in conjunction with a low down-payment. The Accident Medical Protection Program combines all of this.

Benefits Include:

- \$50 per day in Hospital Indemnity up to 365 days
- \$500 Excess Accident Medical Expenses
- \$5,000 Accidental Death & Dismemberment
- Personal Effects (Rented Auto)
- Credit Card Protection

*Not available in all States.
