

ISHI's CHI STANDARDS... SIMPLY THE BEST

The highly-trained, CHI-certified professional members of the International Society of Home Inspectors (ISHI) are dedicated to providing their clients with the most comprehensive, advanced home inspection techniques in the world, bar none. Our Standards of Practice not only meet every one set forth by ASHI, they *exceed* ASHI Standards in 14 vitally important ways:

Standard of Practice	ISHI	ASHI
Provide Fair & Balanced Reporting by Including Positive Attributes of All Systems (See Attached Sample Report)	YES	NO
Inspect Foundation Utilizing Digital Level System	YES	NO
Inspect All Doors & Windows	YES	NO
Inspect All Walkways, Patios & Driveways	YES	NO
Inspect Installed Screening & Shutters	YES	NO
Inspect Fencing	YES	NO
Inspect Clothes Washer Plumbing Connections	YES	NO
Inspect All Lighting Fixtures, Ceiling Fans, Switches & Outlets	YES	NO
